Total (with survey) £646.25

....

Dog Leg rails (fitted) £650.00 +VAT
(Includes a Standard rail and a smaller one for the Dog Leg)

Total (without survey) £763.75

Survey £50+VAT

Total (with survey) £822.50

....

Extra handle £30+VAT

....

Survey is on the property (not the user) and can be done by the purchaser. However, should we not be able to fit due to any inaccurate information given or an inaccurate wall survey, then an aborted fit cost will be charged at £50+VAT.

Price quoted is for an individual order of a standard powder coated steel rail and handle in cream colour. A range of handles, alternative colours and bespoke hardware are available at additional cost

Fitting is compulsory

There is an aborted fitting fee cost of £50+VAT

There may be additional discounts available for multiple orders

Grab rails are not supplied with the product although we can recommend suppliers.

Prices are per fitting of a standard StairSteady within most mainland areas of the country, there is a supplementary cost for some outlying areas.

For the cost of multiple fittings at one site please contact us:
